Workshops & Training

WORKSHOPS

Custom Agility Workshop

Need a specialized workshop for your organization or team?

I offer 2 hour to multi-day instruction on specific workshop topics relevant to the organization.

Topics include: Value Stream Mapping, Agile Ceremony Facilitation, Backlog Prioritization Exercises, How to Be a Lean-Agile Leader

Agile Therapy Workshop

Do you or your co-workers have a bad relationship with Agile? Is "Agile" a bad word in your organization and you are hoping to change that?

In this 4 hour workshop I help the pragmatist and conservatives in your organization see Agile in a new light while keeping us all honest about how Agile can go wrong.

Advanced Meeting Facilitation Workshop

Are your meetings rarely moving the needle in your organization? Do you feel swamped with meetings that offer no value?

I bring years of facilitation experience in this hands-on workshop to take your meetings beyond the typical format and increase their overall effectiveness to make sure you never waste another hour in a bad meeting.

TRAINING

Custom Agility Training

Need specialized training for your organization or team?

1-4 day training around an Agility topic of the customers choosing, customized for the organizations particular concerns or role training needs.

SAFe Training Instruction

Is your organization new to SAFe or need SAFe training for your organization or team?

This includes 2-4 day instruction of the SAFe material for scaling agile across an organization.

Speaker & Presenter

Agility Expert Speaker:

Need a speaker for an upcoming Agile event? Want to educate your teams about a particular Agile topic?

Invite me to speak at your next conference, event, or all-hands meeting on one of the many hot topic Agile competencies or practices: Scrum, Kanban, SAFe, LeSS, Business Agility, Agility for Non-Software Teams, and much much more!
